3. Public Session

A resident reported that there was a mattress in the stream at Gibbs amenity area. A resident asked what the Parish Council's attitude was to planning applications regarding the shop in Burntwick Drive, at Westfield and Callum Park. They are yet to be considered and any decisions or actions will be reflected in the Minutes. Another resident was confused as to whether the shop will be staying in respect of the application submitted. A different resident was in favour of the shop converting to flats because of the untidy appearance but was concerned that the parking allocation is not sufficient. Parking on pavements and inconsiderate parking was raised. The Chair urged residents to complain to Highways.

Clerk

The draft minutes sent out to Councillors had been amended, but Cllr Gates did not agree the amended version. Cllrs Beerstecher and Hartfree had not agreed that the words 'in a constructive spirit' in paragraph 3 of the original draft should be included as the inference could not be drawn. The Clerk confirmed from the recording that those words were spoken. It was finally agreed that the Minutes should be a true record of what was said. All Councillors were in favour that the original draft was a true record and the minutes were duly signed.

6. Co-Option of Mr Dadson as Councillor.

It was proposed by Cllr Parker, seconded by Cllr Gates that Mr Rodney Dadson be co-opted onto Lower Halstow Parish Council; all members were in favour and he was duly elected as a Councillor.

14. Items for Information only.

Cllr Gates was concerned that the planning system, which allows 28 days for a response to large planning applications, is not long enough to form a true opinion and this should be moved up to higher tiers of government. Cllr Beerstecher put forward that there should be more collaboration with other Councils to this end, as this Council could not do it alone.

Best Front Garden Competition is now underway.
