Present: Cllr Rob Smith (Chair); Cllr Allyson Beerstecher; Cllr Keith Howard-Challis; Cllr Sue Hartfree; Cllr Steve Gates; Cllr Rod Dadson and 6 members of the public were in attendance

The Chair welcomed everyone and stated that the meeting was being recorded for the purposes of the Minutes, and also stated that there would be a 15-minute Public session.

1. Apologies

Apologies were received from: Cllrs Parker, Stokes and Whiting.

2. Declarations of Interest

a) Disclosable Pecuniary Interests

None.

b) Disclosable Non-Pecuniary Interests

Councillor Hartfree declared a Non-Pecuniary interest in Agenda item 8(a) Stream clearance at Mill House end.

3. Public Session

A resident suggested planting some wild flower seeds on the dockside where the land has been recently disturbed by the repair of a sewage pipe. It was thought to be a good idea, the Friends of the Brickfields were aware of free seeds being offered.

Another resident was concerned about the problem with flooding outside the Three Tuns. This will be discussed at item 8.

A resident enquired if the tree trunks placed at the Gibbs Amenity area would interfere with the grass cutting. This was taken into consideration.

4. Visitors reports or comments

a) Report from KCC Councillor Mike Whiting:

The main thing to report is the roads. I had a number of complaints about the ice in Breach Lane, which led to at least three accidents. I have been asked whether a salt bin can be installed and I am waiting on a reply from officers about that. I am also seeing whether we can add the route to the primary gritting routes, though I see that as unlikely, it is worth a try. I have also asked for the whole lower road between Iwade and Upchurch be part of the primary route. Currently some bits get gritted and some don't, which seems illogical.

Finally, I complained this morning about the road works in Newington that were causing unacceptable traffic jams, particularly though the rush hours. KCC has ordered the contractors to shut down the works. They will need to put in place better traffic management plans and reapply for a licence to complete the work at a future date.

b) PCSO:

The nuisance motorbike rider on the brickfields has been warned and if he is found to be doing it again his motorbike will be seized. Sheep worrying has been reported to the rural team. PCSO John Cork is happy to be involved with the speed watch campaign being considered. A report was received about an issue with young men and air guns. The public can follow Kent Police on social media.

c) Friends of the Brickfields:

Good progress is being made with the constitution. There is a steep slope into the woodland area and access for the fire service is a concern.

5. To agree Minutes of February meeting.

It was agreed to amend the draft Minutes to show how the councillors voted in respect of the Westfield car park item as it was a majority decision and not unanimous. There were some other minor amendments agreed. The amended Minutes of the meeting of Lower Halstow Parish Council held on 6th February were accepted as a true record. Proposed by Cllr Hartfree and seconded by Cllr Gates. The minutes were duly signed.
